Breaking News - WENDWG-12 now planned in Monaco, same dates, same format

--

Dear WENDWG Members and colleagues,

A quick update on the forthcoming WENDWG-12 meeting...

After some booking attempts, due to the very poor availability of hotels rooms at a reasonable rate in Key West, Florida, USA in February 2022, it has been decided to move the meeting venue to the IHO Secretariat, Monaco. Other options were kindly considered by the host country but it was finally agreed that priority should be given to stick to the planned dates. Monaco was considered to be the optimal option in that case.

More to come in due course, including an IHO CL - in preparation - providing some useful logistic information and guidelines in particular for in-person / hybrid meetings hosted at the IHO Secretariat, during this endless pandemic.

Best regards,

For Mr. John Nyberg, Chair of the WENDWG,
WENDWG Secretary
