### DQWG Letter : 04/2017

Date 20 July 2017

Dear Colleagues

#### **Subject: DQWG13-10.1A Review S-100 section 4C and ISO and INSPIRE standards**

At DQWG meeting 12 (June 2017), NL introduced a paper to review S-100 Section 4C and ISO and INSPIRE standards. Outcome of this paper and action point was that it needed further work before delivery to S-100WG can be done. This work has been done. Please find enclosed the result in paper DQWG13-10.1A.

I would kindly ask the following actions from DQWG members:

- Review paper DQWG13-10.1A Review S-100 section 4C ;
- Provide feedback on this paper;
- Report to agree/not agree on delivery to S-100WG.

I would like to receive your input no later than **30 Aug 2017**. If no input is received, we assume you agree with the proposed papers and actions. If agreed, this paper will be delivered to S-100WG and their feedback can be discussed at DQWG meeting 13.

Thank you  
Rogier Broekman  
Chair DQWG
