Opportunities and Challenges in the Governance of the Planet Ocean 10th ABLOS Conference

The 10th ABLOS Conference in Monaco 8 - 9 October 2019

(<http://www.ablosconference.com/>) is approaching and it is time for an update on

- Key note speaker
- Registration
- Abstracts

Key note speaker

ABLOS is proud to announce our prominent key note speaker at the 10th ABLOS Conference:

Professor and Director Ronan Long

Professor Ronan Long is Director of the WMU-Sasakawa Global Ocean Institute and lectures on a broad range of ocean governance subjects including: the law of the sea, the law of climate change, as well as on multilateral diplomacy and dispute resolution.

Complete biography at the conference web page: <http://www.ablosconference.com>

Registration

It is now possible to register to the 10th ABLOS Conference and remember limited seats are available, as the conference is again traditionally taking place at IHO in Monaco.

Please, follow the instructions at the conference web page:

<http://www.ablosconference.com>

Abstracts

Please read carefully the abstract submission guidelines before submitting your abstract at:
<http://www.ablosconference.com>

Sunday, **30 June 2019**, due date for abstract submission

ABLOS is looking forward to seeing you in Monaco in October 2019.
