- You will notice that the infrastructure for the Monaco Yacht Show is currently being taken down which means that roads and access around Monaco are likely to change at short notice
- Leave plenty time to make your way to the office as your normal route may not be possible!
- The two main routes for access are indicated on the map via the red arrows
- As you enter Quai Antoine 1er you will walk past the restaurant “Quai des Artistes” and turn right through the double glass doors to the IHO Lobby. Press the call button for the list and reception will send the lift down
