

Invitation to Participate in ENCWG Video Meeting.
(15th and 16th July 2020)

Dear ENCWG Colleagues

As you are all aware, we were not able hold our planned 5th WG meeting in Wellington New Zealand due to the pandemic. We have considered moving the meeting date to the end of the year but there are now many other IHO meetings rearranged and planned which are causing calendar clashes.

It has therefore been agreed that, in order to progress the ENCWG work programme, we will hold a virtual meeting on the 15th and 16th of July, from 11am to 2pm BST on each day. We have attempted to pick a time that suits most members, but appreciate that this will not be ideal for everyone.

Whilst I understand this facility cannot replicate the face to face meeting it is hoped we can get consensus on certain ENCWG issues and move forward with certain work items. This will not be a full ENCWG meeting and therefore no voting or administrative changes will be made.

If you would like to present a paper at the meeting please send details to Tony Pharaoh adtdt@iho.int by Monday 6th July so it can be added to the meeting documents on the IHO website. We will be recording the proceedings for any members that may not be able to attend.

Mr Thomas Mellor
ENCWG Chair
