IHO

BACKGROUND

International
Hydrographic
Organization

- Edition 1.0.0 of the S-57 to S-101 conversion guidance document (S-65, Annex B) was published in May 2022.
- HSSC14 (Decision 14/41 - May 2022) approved the development of an encoding guidance for conversion from S-101 to S-57 (S-65, Annex C).

IHO

UPDATE SINCE ENCWG7

International
Hydrographic
Organization

- Jeff updated the conversion guidance to be in line with the S-101 FC 1.1.0.
- The Conversion Sub-Group had a VTC meeting on 2 August 2023.
- Edition 1.1.0 of the S-57 to S-101 conversion guidance document was published in August 2023.
- Work has started on the S-101 to S-57 conversion document (based on the S-101).

IHO

WAY FORWARD

International
Hydrographic
Organization

- Align S-65, Annex B with S-101 FC 1.1.2.
- Release S-65, Annex C (no planned date at this time).
