

**14. 14.1.  
GENERAL UPDATE  
FROM SDBPT**

SDBPT Part 1  
(SDBPT Vice Chair)

# UPDATE

- SDB document is available online as draft of B-13 publication
- No changes in TOR
- Minor updates on the workplan are needed (only to adjust with the review mechanism)

The screenshot shows the IHO website's 'PUBLICATIONS' section. The header includes the IHO logo and navigation links: ABOUT IHO, INTER-REGIONAL COORDINATION, SERVICES & STANDARDS, PUBLICATIONS, EVENTS & NEWS, and DOCUMENT ARCHIVE. A search bar is highlighted with a yellow box. The main content area features two tables of draft publications. The first table, titled 'Draft Publications in the final stage of editing following adoption by Member States', is currently empty. The second table, titled 'Draft Publications for discussion', contains one entry for B-13. A news article on the right side of the page is titled 'The international community gathers in Monaco for the IHO Assembly'. At the bottom, a search filter shows 'b-13' and various options like 'Alle hervorheben', 'Groß-/Kleinschreibung', 'Akzente', and 'Ganze Wörter', with the status 'Ausdruck nicht gefunden'.
