### NCWG Letter 02/2022

To NCWG Members

Monday 25<sup>th</sup> July 2022

### Call for a NCWG Secretary

Dear colleagues,

I am writing to advise you that our friend and colleague, Edward Hands, has moved on from Kartverket and will no longer be acting as the NCWG secretary.

I am pleased to say that before he left Kartverket, I was able to meet Edward in person and I took the opportunity to thank him for his excellent contribution over the last 18 months as our secretary.

Until recently, I had been in talks with a member state who was considering their capacity to offer us a new secretary, but they have not been able to commit to the post.

So, I am keen to draw your attention to the opportunity to support NCWG in this important vacant role as our secretary. Please can you consider if your Hydrographic Office would be able to offer a secretary to help us fulfil this important role.

If you are interested in supporting, please contact:

- [Mikko.Hovi@traficom.fi](mailto:Mikko.Hovi@traficom.fi)
- [nick.rodwell@ukho.gov.uk](mailto:nick.rodwell@ukho.gov.uk)

No later than September 30<sup>th</sup>, 2022.

In addition, I'd like to take this opportunity to remind you of the deadlines in the NCWG Letter 01/2022 regarding NCWG8 (registration, submissions, etc) as well as the proposal which was submitted to the 6th meeting of the Council (See Doc. [C6-04.1B](#)) which is of specific interest to NCWG.

Yours sincerely,

A handwritten signature in black ink, appearing to be 'Mikko Hovi', with a long horizontal stroke extending to the right.

Mikko Hovi,  
Chair NCWG
