### NCWG Letter 09/2024

To NCWG Members

05 December 2024

Subject: Request for INT1subWG list of contacts

Dear Colleagues,

The INT1subWG is tasked with several action items resulting from NCWG10 and is thus required to restart the correspondence group. In recognition of the INT1subWG not meeting in recent years and changes in membership, this letter is a call to confirm the list of contacts for the official INT1 producers (UK, France and Spain) and open an invitation to observers or participants.

A response is not required if you do not wish to participate in INT1subWG. Please reply using the Response Form Annex A, **no later than 31 January 2025**. I ask you to use the 'Reply to all' option for responses.

Yours sincerely,

Patricia Sheatsley  
Secretary NCWG
