

# S-127 Task Group Update

- 1. Meeting #4 07-Jun-2023**
- 2. New S-127 FC was developed and is being reviewed**
- 3. Review of S-127\_1.0.1\_combined\_comments.docx was completed**
- 4. Review of MSA proposal for adding Hydrometeorological Conditions – agreed to in principle, optimal implementation to be worked out**
- 5. Review of MSA proposal for adding speed limits and berthing restrictions – considered to be sensible but should be reviewed by NIPWG as it might be more suitable for other PS i.e. S-131.**
