## General Information of Seoul

As the capital of the Republic of Korea, it is the center of politics, economy, and culture. The average temperature in Seoul in March is around 6.1 degrees Celsius (43 degrees Fahrenheit).

With 2,000 years of history, Seoul is a city where the past and the present coexist. Seoul has been a political, economic, and cultural center for more than 600 years, and has many cultural heritages from ancient times to modern times.

## Visa requirements

Depending on your nationality, and the purpose and duration of your visit, you may require a visa to enter South Korea. We recommend you to check visa requirements at [www.visa.go.kr](http://www.visa.go.kr)

If you are a visa waiver traveller you can apply for KETA at [www.k-eta.go.kr](http://www.k-eta.go.kr)

## Additional Information

Half day city tour to the National museum and Seoul N tower on the afternoon 10<sup>th</sup> March is planned. Please inform us if you would like to join.
