Dear S-101 Project Team Members,

Papers covering changes to be included in the next Edition of S-101 and engagement with test beds will also be covered as far as time permits.

LINZ has provided [logistics information](#) for the joint meeting. The logistics document, Agenda and all meeting papers will be posted on the [S-101PT9 Meeting Page](#) of the IHO web site as they are received. I look forward to seeing you in November in New Zealand.

Yours sincerely,
