Dear Hydrographer,

1. Since release of Reference A, requesting nominations for a new SCUFN Member, the Secretariat of the SCUFN has been informed that Commander (Lic.) Walter REYNOSO-PERALTA, Hydrographic Service of the Argentinian Navy (SHN), will no longer be available to continue serving SCUFN as a Member.

2. Therefore, in application of the procedure given in the Circular Letter, reference A, Member States are requested to consider nominating suitable experts to fill the now *two* vacancies (Deadline: **15 March 2020**), preferably using the IHO Online Form System (see Reference B) by accessing the following link:

3. Member States are also invited to note that the SCUFN Chair has started investigations to find a venue for the SCUFN-33 meeting with Monaco as a back-up plan, as Buenos Aires, Argentina is no longer an available venue.

4. The IHO Secretariat takes this opportunity to thank Commander (Lic.) Walter REYNOSO-PERALTA for his active engagement in SCUFN activities, in the development of the English/Spanish version of Publication B-6, as well as SHN for having sponsored him for almost fifteen years.

On behalf of the Secretary-General  
Yours sincerely,

Director
