Dear Hydrographer,

1. In the reference, the IHO Secretariat invited IHO Member States to consider nominating one suitable candidate who will benefit from the opportunity offered by the IHO-Republic of Korea (ROK) Programme of Technical Cooperation to participate in the Training For Trainers (TFT) Programme in Basic Hydrography at the Korea Hydrographic and Oceanographic Agency (KHOA), Busan, Republic of Korea in a hybrid mode.
2. The IHO Secretariat received 24 applications from 22 IHO Member States. The Selection Panel, comprising representatives from the ROK and the IHO Secretariat met on 28 September 2021 via video conference and examined all the applications received.
3. Twenty three candidates as provided in Annex A were selected for the TFT Programme thanks to the availability of the training in a hybrid mode. Therefore, interactive on-line training will be available to the selected candidates from 1 to 12 November 2021, whilst at same time in-person training will be conducted at KHOA for the trainees in Korea. After careful consideration on the time zones of the successful candidates, the daily sessions of the Programme will be provided from 05:00 to 10:00 UTC.
4. The selected candidates should inform KHOA, in liaison with Mr Wooju KIM, Project Leader of KHOA (email: kwj4525@korea.kr with copy to infokhoa@korea.kr), by 15 October 2021 whether they can participate in the programme. The selected candidates will receive detailed information directly from KHOA.

6. It is likely that other opportunities for education and training will be available in 2022,

thanks to the continuing and generous support of the Republic of Korea. The IHO Secretariat advises the nominating organizations to continue preparing candidates for future opportunities.

7. The IHO Secretariat congratulates those candidates who have been selected and thanks the IHO Member States for their interest.
