- CALL FOR NOMINATIONS

Reference: IHO Resolution 2/2014 as amended - *The Prince Albert 1st Medal for Hydrography*

Dear Hydrographer,

1. The Prince Albert 1st Medal for Hydrography was introduced in 1988 following discussions between the President of the Directing Committee and the Prince of Monaco. It was named the "*Prince Albert 1st Medal for Hydrography*" acknowledging that Prince Albert 1st was one of the great navigators and explorers of his time.

2. In accordance with IHO Resolution 2/2014 as amended (see Annex A for ease of reference), the Medal is awarded at the IHO Assembly to recognize individuals who have, by their actions, contributed significantly to achieving the aims and objectives of the IHO. The Prince Albert 1st Medal will be presented during the Opening Ceremony of the 3rd Session of the IHO Assembly in May 2023. The Medal awarded to Mr Peter Doherty (USA) in 2020 will also be formally presented on this occasion since the presentation was not possible at the 2nd Session of the IHO Assembly.

3. The IHO Secretariat invites Member States to consider submitting nominations meeting the conditions and eligibility criteria for the award of the Medal in accordance with the Reference. Member States may submit up to two nominations if they wish to nominate one of their citizens and a citizen of another State. THE PRINCE ALBERT 1ST MEDAL FOR HYDROGRAPHY	2/2014 as amended	IHO A-1	-
---	--------------------------	----------------	----------

Introduction

1. The Prince Albert 1st Medal for Hydrography was introduced in 1988 following discussions between the President of the Directing Committee and the Prince of Monaco. It was named the “Prince Albert 1st Medal for Hydrography” acknowledging that Prince Albert 1st was one of the great navigators and explorers of his time. The medal was to be awarded to the author of the best article published in the International Hydrographic Review (IHR). The Medal had always been presented by the Prince of Monaco himself during the Opening Ceremony of the ordinary International Hydrographic Conferences. In 2014 at the 5th Extraordinary International Hydrographic Conference, Member States agreed to a proposal submitted by Monaco to amend the conditions of the award of the Medal to recognise individuals that have by their actions contributed significantly to achieving the aims and objectives of the IHO. In simple terms, the award of The Prince Albert 1st Medal for Hydrography is a recognition of the IHO’s “*heroes of hydrography*”.

Nominations for the Award

2. At the end of the year preceding an Assembly, Member States may submit up to two nominations for the award using the form shown at the Annex to this Resolution. One nomination may be for a citizen of the Member State, another nomination may be for a citizen of another State.
3. Current and former members of the former IHB or of the IHO Secretariat are ineligible for the award.

Selection Process

4. The Secretary-General and Directors, in consultation with representatives of the Government of HSH The Prince of Monaco, will select the recipient of the award, taking into account at least the following:
