Subject: IHO ONLINE CHART CATALOGUE COASTAL STATES RECOMMENDED PAPER CHART .
Date: wed, 25 Jul 2007 16:34:09 +0700

Dear Vice Admiral Alexander MARATOS

Answering Circular Letter 47/ 2007, we send information about Our Maritime Authorities :

1. Member State Name : Indonesia.

2. Indonesian Hydro-Oceanographic office produces 447 number charts with various scales. Part of them using WGS 84 but some of them still using Bessel 1841 as geodetic references and area of coverage approximately from 06° N - 11° S and 95° E - 141° E.

3. Indonesian Nautical Charts covered the maritime territories as follow:
 - a. Nautical Chart No.2 : Indonesian Archipelago west area and its surrounding, with scale of 1: 4.000.000 in WGS 84.
 - b. Nautical Chart No.3 : Indonesian Archipelago East area and its surrounding, with scale of 1: 4.000.000 in WGS 84.

4. All charts are published by Indonesian Hydro-Oceanographic Office.

Sincerely Yours

Vice Chief Indonesian Hydro- Oceanographic Office
Capt Eko Gudhi wahyono
